ORDER ON RECONSIDERATION

Adopted: April 6, 2000

Released: April 10, 2000

Before the Chief, Public Safety and Private Wireless Division, Wireless Telecommunications Bureau:

1. The Public Safety and Private Wireless Division (Division) has before it four petitions for reconsideration (Petitions) filed by DCT Transmission, L.L.C. (DCT).¹ DCT requests reconsideration of the dismissal by the Public Safety and Private Wireless Division Licensing and Technical Analysis Branch (Branch) of the above-captioned applications for authorization to provide service in the 38.6 to 40.0 GHz (39 GHz) band.²

2. We have analyzed the Petitions and find that the Commission staff properly decided the matters raised. The Petitions are devoid of any evidence that the Branch's actions were inconsistent with Commission precedent or policy. In this regard, we note that the Commission established and affirmed a processing policy concerning 39 GHz channels that includes the dismissal of (a) applications that failed to meet the thirty-day public notice requirement as of November 13, 1995; (b) all new applications, major modification applications and amendments filed on or after November 13, 1995; and (c) applications whose mutual exclusivity was not resolved by December 15, 1995 and amendments resolving mutual exclusivity

that were filed on or after December 15, 1995.³ In addition, the Commission's Rules provide for the dismissal of mutually exclusive applications and late-filed competing applications.⁴ Our review of the Petitions and the Branch letters that were the subject thereof indicate that the Branch's actions with respect to the subject applications were consistent with and pursuant to the Commission's 39 GHz processing policy. Therefore, we uphold the staff decision for the reasons stated therein, and find no reason to disturb it.

Accordingly, IT IS ORDERED that pursuant to Sections 4(i) and 405 of the Communications Act of 1934, as amended, 47 U.S.C. §§ 154(i), 405, and Section 1.106 of the Commission's Rules, 47 C.F.R. § 1.106, the Petition for Reconsideration filed by DCT Transmission, L.L.C. on October 25, 1999, regarding FCC File No. 9505285 IS DENIED.
